

What are the benefits of becoming a member of MAsREE?

As an active and dynamic educator, you would definitely willing to make some contributions to the education world. You can do so if you become a MAsREE member.

1. Access to the our journal International Research Journal of Education and Sciences (IRJES), published twice a year.
2. Have the opportunity to participate in conferences, seminars, webinars and workshops organized by MAsREE.
3. Participate in various activities organized by MAsREE such as discussions, consultations, and social services for educators.
4. Involved with us organizing seminars, forums, workshops, exhibitions, etc. held with various educators.
